Commissioner for Patents

The reply filed on 1-23-2006 is not fully responsive to the prior Office Action because of the following omissions or matters:

The Office Action dated 10-18-2006 made an election based on original presentation of the invention and claims 27-36 were withdrawn from consideration. However, the claim listing of the amendment dated 1-23-2006 does not reflect the correct status of the claims. Applicant is requested to submit a listing of the claims which reflect the present status of the claims. If applicant desires to request reconsideration of restriction of withdrawn claims based on amendments in those claims that render the prior restriction improper, this should be explicitly stated and accurately reflected in the status of the listing of the claims.

Additionally, applicant has not attempted to point out the features of the claims, as intended to be amended, which distinguish over the prior art of record, as required by MPEP 714.04.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
